

VAN DER HEIJDEN 1500

BROKER'S COMMENTS

This Van der Heijden 1500 Wheelhouse "Nova Cura" is complete repainted by her current owner in 2015. The hull has been given the modern color graphite grey (Awlgrip). Due to her rockwool insulation, Kabola central heating and double glazing, this Van der Heijden is very suitable for longer trips and a comfortable, longer stay on board. Equipped with i.a. 3-cabin layout, a good set of navigation equipment, an Iveco 210 hp. diesel engine and Cupa electric bow- and stern thruster, which make her the perfect motoryacht to discover the European waterways. Viewing is highly recommended.
