

## VRIPACK 46 AC

## BROKER'S COMMENTS

"Meander" is an unique presence on the water with a mixture of classic and modern lines and with plenty of space for hospitality, both outside and inside. She creates admiration with her beautiful aqua blue metallic hull and the unique tones of the modern superstructure. "Meander" is built to superyacht standards, with top quality materials and luxurious finishing. With this motoryacht, the Vripack design team has created a new individuality with surprising designs. This Vripack 46 AC is as good as new and the price offered, especially considering the completeness, is very attractive!

*Pieter Bosma*
