## BROKER'S COMMENTS

This Grouwstervlet "Nautica" was built in the late nineties at the Frisian famous shipyard De Grouwstervlet/Fedde v/d Werf in Grou/Holland. With her excellent sailing performances and low headway, she is perfect to cruise the inland waterways of Europe. This Grouwstervlet 11.30 with open cockpit is well-maintained and in a very good condition. She is always stored in a covered boathouse. If you are looking for an open cockpit motoryacht, don't hesitate and come to our sales harbor in Sneek immediately!
