## BROKER'S COMMENTS

Bylgia, a unique, sturdy and elegant lined yacht from the Dutch designer Martin Bekebrede and built by Flevo Jachtbouw is offered by its first owner. He has composed his Noordkaper with an eye for detail, style, quality and lot of insights. Insulated glass, floor heating, the 4 luxury cabins - 3 with an en-suite bathroom, spacious kitchen and a beautiful deck salon with 360° view make this ship suitable for charter, day- or blue water trips and as a liveaboard. The retractable keel gives you the freedom to sail shallow waters. Bylgia is located in our sales marina which is open 7 days a week.
