GILLISSEN KOTTER 1400

BROKER'S COMMENTS

This round bilgedkotter is created by the well known designer Th. Gillissen and built by T&T Jachtbouw-Zevenbergen. With a minimum headway of 2,78 m. most inland waters can be sailed, you can even put the south of France on your bucket list. The comfortable teak finished interior and the masive aft deck are then the places to be.
