EXCELLENT 1200

BROKER'S COMMENTS

Excellent 1200: this GRP motor yacht with two cabins is very well maintained. The Iveco diesel engine of 450 hp. gives her a maximum speed of approx. 40 km/h. She is provided with a bow- and sternthruster for easy maneuvring in the harbor and, to make it more easier, there is a remote control to manage the yacht. Very complete with two cabins, two bathrooms, washing machine and dryer. The hull is painted and also provided with new antifouling in 2016. This beautiful Excellent is visible in Sneek now!

Arne Doodeman
