JACABO 1600

BROKER'S COMMENTS

Jacabo 1600: due through her dimensions and finishing, very suitable for a longer stay on board, with thanks to her comprehensive insulation, 6 kW generator and Kabola central heating. This Jacabo is built in 1990 and due to circumstances launched in 1998. Until 2014 there is worked constantly to improve the yacht and keep her in a good state of maintenance. The hull and superstructure are painted with a two components painting system recently. Are you looking for a spacious and comfortable motor yacht, then this Jacabo 1600 is exactly what you need!
