## BROKER'S COMMENTS

Noordzeekotter "Deleste" is built by the highly experienced yard Brandsma Jachten in Sneek. This Noordzeekotter is a very cozy cutter with one level floors, an open cockpit and teak interior. She is suitable for the coastal- and inland waterways and the French canals (CE-B) and for a longer stay on board. This motor yacht is equipped with a 106 hp Volvo Penta diesel engine, bow- and sternthruster, double glazing, central heating, inverter 220 Volt, two cabins and plenty of storage space. Summarized: a yacht to sail away immediately. Now visible in our covered sales marina in Sneek.
