KEMPERS 58

BROKER'S COMMENTS

The Kempers 58 "Little Toy" is built at the famous yard Kempers BV in Alphen a/d Rijn, the Netherlands and designed by De Vries Lentsch. Due to her insulation, three cabin layout, hydraulic bow- and sternthruster, hydraulic windlass, central and hot air heating, "Little Toy" is very comfortable for longer trips and longer stays on board. This Kempers 58 is equipped with a good set of navigation, double Volvo Penta 150 hp diesel engines and hydraulic bow- and sternthruster, what makes her the perfect motoryacht to explore the European waterways. Viewing on appointment is highly recommended.
