TUNA 38 CLASSICO STABILIZER

BROKER'S COMMENTS

Tuna 38 Classico "Tulla" designed by Renee van de Velde and built by Black lock marine in The Netherlands. Sailing with this Tuna 38 is very comfortable due to her Mare calmo MC2 gyroscope stabilizer! Furthermore, she has a good set of navigation equipment, three cabins, separate shower and toilet. We recommend to view this motoryacht in our covered sales marina in Sneek, we are convinced that you will love her!

Arne Doodeman
