VALK MERLIN 1300

BROKER'S COMMENTS

Valk 1300 Merlin "Victoria-Regia" a design by, and built by: P.VALK Yachts Franeker (1928) known and made famous by the ValkVlet. This motor yacht is definitely not a standard 1300 Merlin, the salon is extended by 120 cm with the important detail, that the kitchen is placed above. A spacious and complete motor yacht where you can stay for a longer period of time, heating, double glazing and well-insulated. Bow and stern thruster with remote control, but also windlass and mast can be operated remotely, this Valk Merlin particularly suitable for traveling through Europe / France
