

DOGGERSBANK 1300

## BROKER'S COMMENTS

This Dutch built steel motoryacht Doggersbank 13.00 is seagoing, but also very suitable for the European inland waterways. She is very strong built with a round bilged hull. Despite her age, she looks very good because of the maintenance she has had over the years. She looks sturdy with charming lines. This Doggersbank is equipped with a 6 cylinder Ford 125 hp. diesel engine, hydraulic bowthruster, diesel generator, heating and a comfortable and cosy interior. This sturdy motor yacht is definitely worth a visit!
