# SUPER VAN CRAFT 1560

## BROKER'S COMMENTS

Super van Craft 1560 is a roundbilged motoryacht with steel hull, superstructure and wooden wheelhouse and is built at the famous Klaassen shipyard in Voorschoten. This Super van Craft has two cabins with both a separate shower and toilet. She is furtermore equipped with two MAN/Nanni diesel engines, hydraulic bow- and sternthruster (with remote control), Onan generator (2018!), double glazing and Kabola central heating. This Super van Craft is definitely worth a visit. She is available in our covered sales marina in Sneek now.
