X-YACHTS XC 42

BROKER'S COMMENTS

Innovative, fast, stylish, reliable and oh so comfortable.... the X-Yachts Xc-42 from Niels Jeppesen in a nutshell. Upon introduction the X-Yachts design team hit the mark on every aspect with this now much appreciated design. Taking all the best from their regatta performance and throwing safe long distance sailing parameters in the mix, it was no surprise the Xc-series have won many international professional awards. This Xc-42 comes very well equipped, is a dream to handle on both engine and while sailing and offers you the best in the performance cruising market.
