VALKVLET 1190

BROKER'S COMMENTS

"Koaihuus" was built in the late nineties at the world famous shipyard P. Valk in Franeker/Holland. With her excellent sailing performances and low headway, she is perfect to cruise the inland waterways of Europe. This Valkvlet 11.90 with open cockpit is well-maintained and in a very good condition. She has always been in a covered boathouse the year round. If you are looking for an open cockpit motoryacht, don't hesitate and make an appointment for inspection!
