VALKVLET 1000 OK

BROKER'S COMMENTS

The Valkvlet 1000 is build at the well known shipyard P.Valk in Franeker. The large open cockpit is finished with teak which gives the Valkvlet a classic look. Due the low airdraft and equipped with an electric bow and stern thruster the Valkvlet is perfect for sailing the small inland waters. Inside you will find the steering position, a galley and a cabin with a V bed. A long stay on board is no problem.
