DE RUITER KOTTER 1350 AK

BROKER'S COMMENTS

This sturdy De Ruiter Spitsgatkotter "Lagos" built for the sea, coast and inland waters and has also proven this over the years. The boat got a new main engine in 2011, new radar plotter and autopilot, 2 telescopic spout poles 4 mtr and a satellite receiver. The "Lagos" is a ship with a reasonably used interior and long stay on board. You can view the Lagos in Sneek in our covered sales port.
