DUTCH DIVA AUDI

BROKER'S COMMENTS

Dutch Diva Boats was inspired by Audi's progressive technology and combined this with a classic yacht design. Their starting point was to built a "one-off" 60's style sport boat using a sleek, striking and distinctive design. The boat is equipped with a V8 4.2 f.s.i. Audi engine Block. When this engine roars both car and boat lovers will get goose-bumps.
