BROKER'S COMMENTS

In 1961 the "Budi" is built by shipyard Nicolaas. Witsen in Alkmaar in honor of Prince Bernard his 50th birthday. The ship is seaworthy and comfortable. The large teak deck accommodates a large number of guests. In 2010 the ship was fully restored, with respect to the the original lay out. The two engines are also overhauled . After the overhauling, the 'Budi' was stored inside.
