BROKER'S COMMENTS

"There can be few better examples of a superbly maintained motoryacht than this Sanlorenzo SD112. The owners made no compromises as they invested time and money to ensure their prized possession remained in as-new condition. The fabulous master suite offers panoramic sea views, and there are 3 spacious ensuite guest cabins with showers plus 3 crew berths. The bespoke interior is beautifully finished and the height of modern sophistication. Looking to make the 2022 season one to remember? Contact us for details or make an appointment for a personal viewing that will exceed all your expectations"
