GILLISSEN VLET 10.30

BROKER'S COMMENTS

The Gillissen Vlet 1030 is built in 1998. The large open cockpit is finished with teak which gives the motor yacht a classic look. Due the low air draft and equipped with an electric bow thruster. The "Jireh" is perfect for sailing the small inland waters. Inside you will find the steering position, a galley and a cabin with a V bed. A long stay on board is no problem. Come to our covered sales marina in Loosdrecht now and feel free to step on board of this Gillissen Vlet.
