GILLISSEN STEVENVLET 1200

BROKER'S COMMENTS

This beautiful maintained Gillissen Steenvlet is surprisingly spacious. Her timeless classic design is typical for the famous Dutch designer Th. Gillissen. The open cockpit provides teak finished seats, a teak deck and a convenient second steering position. The interior with solid woodwork shows a warm atmosphere. The draft of only 1.00 m. makes the Gillissen Steenvlet perfect for shallow inland waterways for example in The Netherlands or France.
