LUXE MOTOR 13.80

BROKER'S COMMENTS

The signature line of the Luxe Motor will receive many times a look of appreciation. This appreciation also applies to installations where frequent use is made of professional components. This is, in particular, in the engine room, as well as easy to see at the navigation equipment. The Luxe Motor 13.80 has a 127 hp Sisu diesel engine (similar to Scania), with a consumption of approx. 4 liters / hour. The interior is finished with maple wood. The Kabola central heating also has a hot water supply.

Peter van Diggele

SPECIFICATIONS

Dimensions	13.80 x 4.10 x 0.90 (m)	Builder	Scheepswerf Bocxe - Delft
