MITCHELL 31 MKIII

BROKER'S COMMENTS

The Mitchell 31 MKIII, originally designed as a fast, sturdy fishing boat for open seas is also perfect for the inland waters. The twin Vetus Deutz engines with V-drive makes it easy to maneuver and comfortable when going fast on sea. A inside, outside and remote steering option makes berthing the 31 very easy. With two berths, kitchen and toilet the Mitchell is a tough looking powerboat with the comfort of a weekend cruiser.
