GRAND BANKS 42 CLASSIC

BROKER'S COMMENTS

The GB 42 Classic is one of the most wanted in the Grand Banks range. The Classic models are well known for their typical aft door in the master bedroom, the Grand Banks hulls for the carvel-built look and wooden stern. Due to their hull shape and twin engines they stand for seagoing and sturdiness. Well kept by the owner, with new batteries, battery charger and antifouling renewed in spring 2017. The Grand Banks 42 classic can be vieuwed at our sales office, which is opened seven days a week.
