EVERSHIP 38 PATROL

BROKER'S COMMENTS

The Evership 38 Patrol derives from the design of the old Nelsons used by the UK Coast Guard and with the same qualities, such as strength and the tough appearance. The fully synthetic Strong Shelf / composite construction is responsible for this strength. .With her steering position in- and outside you can enjoy the large aft deck in summer conditions and inside to shelter for the rain. The 38 Patrol is equipped with the Raymarine Hybrid touch panels and easily connects with your phone or tablet. Webasto heating, inverter, bowthruster, sternthruster, autopilot, GPS and radar be present!
