VALKKRUISER 1160

BROKER'S COMMENTS

The Valkkruiser 11.60 hull is built in 1988, after completing the hull the first owner built the interior by hand. In 2002 the whole ship was completed and launched for the first time. The current owner, witch purchased her in 2004 took good care of her. This can be seen on both the interior as the exterior. The Valkkruiser 11.60 is worth the trip to our sales office in Loosdrecht.
