VRIPACK KOTTER 9.65 OK

BROKER'S COMMENTS

This well maintained Vripack Kotter 9.65 OK has been built by Jachtbouw Klaas van Huizen in Leeuwarden after the design by Vripack. She has a 65hp Vetus diesel engine and a Vetus bow thruster. The Vripack owners cabin has place for two persons, the saloon couch could be transformed into a double bed. Thanks to the outside helm position with bow thruster control, you feel connected with the nature. With a CE C certification and an air draft of 2.39m she is the ideal inland water cruiser.

Michael de Jong
