

MOONEN 72

BROKER'S COMMENTS

Moonen 72 "La Gioconda", a real long range displacement motor yacht with round bilged steel hull, flared bow and aluminium superstructure. Her twin diesel engines and hydraulic bow thruster makes her easy to handle also with a small crew. The maintenance list is massive, "La Gioconda" is complete repainted (2014), new teak decks 12 mm (2017), full survey 2016 (available on request), new navigation equipment (2016) and above all full service of engines and generators (2016). Come over to our covered marina in Loosdrecht and convince yourself!
