LOCHIN 33

BROKER'S COMMENTS

The Lochin 33 is designed for the rough waters around the U.K . This Lochin 33 was stationed at the British Channel Island Guernsey, where it was on active pilot service. A massive capstan on the aft deck as a reminder at those glorious days. If you are looking for a boat to cruise along the inland waterways or are you looking for a boat to explore the open waters, this Lochin 33 can handle both.
