VALK VOYAGER 1450

BROKER'S COMMENTS

Valk Voyager 14.50. By placing the salon and the galley on the same deck, the indoor space is very practically and the daily comfort is increased. This very well maintained yacht is equipped with 2 spacious cabins each with its own sanitary facilities and a small 3 'cabin. The Valk Voyager 14.50 is equipped with central heating, generator and an electric bow thruster.The insulated hood and the large rear deck are also worth mentioning. Ready for living on board. In 2016 the Valk Voyager was completely painted at the Super van Craft Yacht service, with using the 2 component paint system.
