GILLISSEN STEVENVLET 1200

BROKER'S COMMENTS

This well maintained Gillissen Stevenvlet is surprisingly spacious with a large forward cabin and aft guest cabin with two single berths. Her classic design is typical for the famous Dutch designer Th. Gillissen. The cockpit has a teak deck and a convenient second steering position. The interior has a warm atmosphere. Her shallow draft and low bridge clearance makes the Gillissen Stevenvlet perfect for a trip through the European waters. Her Bow and stern thruster make her easy maneuverable. The engine has a closed cooling system.
