EXCELLENT 960 AK

BROKER'S COMMENTS

The Excellent 960 AK, designed for both large as inland waters, is the ultimate combination between a trawler and fast going yacht. According to the shipyard these sailing abilities is what gives the Excellent her name. The Hardtop gives you great shelter and due to the Webasto heating cruising in colder weather is no problem. Berthing and maneuvering the boat can be easily done due to the bow- and stern thruster. If you are looking for a trawler that can take you home in no time, the Excellent 960 AK is what you are looking for.
