# GILLISSEN STEVENVLET 1275

## BROKER'S COMMENTS

This Gillissen Steenvlet 12.75 is one of the first designed Gillissen yachts ever. Built in 1966, the vessel never left the family since. In 2008 the "Gloria" was stripped down to bare metal, sandblasted and built up again. She became a new interior, new engines and teak decks. If you are looking for Dutch heritage, you need to see this Gillissen Steenvlet 12.75 at our sales office in Loosdrecht.
