VALKVLET 1190

BROKER'S COMMENTS

This Valkvlet 1190 "Suleika" was built in 2003 at the famous shipyard P. Valk in Franeker, the Netherlands. With her excellent sailing performances and low headway, this is the perfect boat to cruise on the inland waterways of Europe. This Valkvlet 11.90 with open cockpit is well-maintained (major maintenance carried out in 2017) and in a very good condition, like new! She has always been stored in a covered boathouse the year round. If you are looking for an open cockpit motor yacht, don't hesitate and come to our sales harbor in Sneek immediately!
