# SUNSEEKER CAMARGUE 44

## BROKER'S COMMENTS

This Sunseeker Camarque 44 is best described as in very good condition and therefore a good example of one of the most popular "funseekers" on the market. Interior and exterior look hardly used and very low engine hours are telling her story in that perspective. Sophia has of course air-conditioning and a 1500 rpm generator to serve you in hot summers. Hull, super structure and blue stripe look great. Recent new epoxy layers, new turbo's for the Caterpillars and new shaft seals have been added. In 2019 all batteries have been replaced. A complete and good yacht for a reasonable price.
