PIETER BEELDSNIJDER KOTTER 1500

BROKER'S COMMENTS

The Pieter Beeldsnijder Kotter 1500 is the example of Dutch Yacht design. When thinking of a classic Dutch Cutter, the Pieter Beeldsnijder design is what to look out for. Built in 2007 and launched in 2009, the "Magaretha" is the ultimate combination between a classic design yacht with the technical enhancement of today. Equipped with a.o. air-conditioning, central heating, double glazing, generator, Wasmachine/dryer, fridge and freezer she is also very suitable for longer journeys. The Kotter is offered by her first and only owner which just renewed the under water system.
