VAN VOSSEN PATROUILLE 1200

BROKER'S COMMENTS

The Van Vossen Patrouille 1200 called "Hippo", a beautifully lined and well maintained ship. The Patrouille 1200 was built in 2006 after which the ship was completed in 2009 with the installation of her engine. Currently the "Hippo" has only sailed 450 hours. The Van Vossen Patrouille 1200 can easily be maneuvered from any position because of her electric and remote controlled engine control, bow- and stern thruster. The spacious open cockpit with stern door and ground floor saloon including kitchen make the Patrouille 1200 a very accessible ship.
