

WATERDREAM S-740

WATERDREAM S-740

BROKER'S COMMENTS

The S-740 Waterdream is handcrafted in the Netherlands and made of thick aluminium. Thanks to her unique deep-V bottom and stepped hull with tunnel, the revolutionary boat sails like a dream, and are incredibly fast and stable. The double spray rails can cut through waves at high speed. This Waterdream is also self-bailing and maintenance free, so they do not require covered storage.

Mark Hesselmans
