SILVESTRIS 23 SPORTS CABRIOLET

BROKER'S COMMENTS

The design was made by ex Spyker designer Maarten de Bruin. The Silvestris sails like a sports car on the water with 320 hp and a powerful V8 from Volvo Penta. Balanced, powerful and extremely quiet, this ship flies over the water at over 35 knots. The handmade, sea-resistant cognac-colored leather seems to come from a beautiful sports car. Unique with only 5 built copies on the market. She will be auctioned on June 9 in cooperation with BVA Auctions. For further details see http://bit.ly/Silvestris23 Opening price of the auction EUR 10.000, offers can be made from June 2.
