DRAIT BRAVOURE 34

BROKER'S COMMENTS

The Drait Bravoure 34 "Ooster-Linge", a sturdy and robust CE-B built ship from Dutch soil. The Drait Bravoure has a spacious layout with 4 fixed berths. The raised steering position offers all-round visibility. The transom door makes it easy to enter the Bravoure 34. The extra engine controls in the cockpit in combination with the remote-controlled rudder offers a second steering position outside. The bow and stern thrusters make the vessel easy to manoeuvre.
