COMBI KOTTER 1350

BROKER'S COMMENTS

You must have seen this Combi Kotter 13.50. The ship has undergone many modifications by the current owner, including a generator, hydronautica remote control, but also new antifouling in 2019, as well as that the entire hull and superstructure were painted in 2019. The Combi Kotter has 4 berths, doors opening from the salon to the aft deck which makes sailing pleasant in many weather conditions. From now on display in Loosdrecht!
