BROKER'S COMMENTS

The Linssen Grand Sturdy 380 AC is a well-known Dutch quality brand. Good sailing characteristics, great for manoeuvring, both inside and outside steering position make this yacht suitable for a long sailing season. The yacht underwent a refit in 2016 and does not require major maintenance, the teak decks have been newly laid with 18mm and the entire hull and superstructure has been painted. Extremely suitable for European inland waters with a vertical clearance of 2.90 m. Equipped with generator, GPS and radar, folding mast and many extras.
