DEHLER 41 CRUISING

BROKER'S COMMENTS

Dehler is not only renowned for its well performing yachts but also for its unflawed quality. This particular yacht is especially interesting because of good specification, carefully and little used mostly as a daysailor. The Dehler 41 cruising is the result of over 30 years experience in yacht building, featuring details that make this yacht as fast as she is also safe and easy to handle.
