DUFOUR 34 PERFORMANCE

BROKER'S COMMENTS

Upon introduction an instant success for Dufour with winning the Copa del Rey and awarded European Yacht of the Year in 2003/04. The Dufour 34 Performance was the next logical step in developing a well balanced performance cruiser for the family and fast sailing around the buoys. She handles like a dream, is very capable below decks and offers good space and comfort. In every aspect a very attractive yacht to own, sail, enjoy and to be proud of. This 34 also comes well equipped with fresh laminate sails and other options.
