

HUISMAN 41

BROKER'S COMMENTS

The Huisman 41 is designed by Sparkman & Stephens and built by the Dutch Royal Huisman yard, synonymous with style, elegance and maximum presentations. A long weekend of racing with friends to England or a day of cruising with family on the IJsselmeer, she is well suited and will let everyone enjoy it. The ship certainly attracts attention when entering a port. For a classic like this, it is extremely spacious with 8 sleeping places. Viewing by appointment.
