BROKER'S COMMENTS

Ready for a difference? This smartly designed high quality built ETAP 46 DS has many clever improving updates, such as a taller mast, a customised Etap designed keel and rudder, a good set of North Sails, larger fuel tanks and a SSB transceiver. On deck and down below she provides a generous living, working and storage space. When sitting inside you will enjoy fantastic panoramic views. This unsinkable yacht offers great long distance passage making, with comfortable sailing performances and can be easily sailed by a couple.
