## BROKER'S COMMENTS

A great opportunity to own this 42-3, one of the latest models with the rich built woody interior. The cosy and spacious accommodation is light, fresh and in absolutely good shape. This much sought after model offers a great and solid sailing performance thanks to her optional deep lead keel and her 50 HP engine. Over-all the yacht is in good condition and well taken care of, although hardly used by her owners. Viewing highly recommended. On request a berth is available in Dénia.
