SAFFIER 32

BROKER'S COMMENTS

Love at first sight! The Saffier 32 has been awarded Boat of the year 2007 and for a good reason. The designer and builders are experienced passage makers and that shows every inch on this compact model. In and outside you will see stunning built quality to the highest level. Hard to believe she is only 32 ft; what a space and what a sailing performance. Above that she is a head-turner in every marina. If wished crossing oceans can be made solo in comfort. A survey done in 2014 confirms a fantastic over-all state, and even better today. She is absolutely ready to go for new adventures!
