BROKER'S COMMENTS

"Bruce Roberts designed heavy duty GRP built vessel, a guaranty for safe long passage making. She offers perfect permanent life on board space and accommodation, sleeps 10/13, but can also be an ideal yacht to transform for charter use. Owner fitted the yacht for world solo travelling and upgraded over 100 KEUR the last years on mostly the technical side, new sails and fixed roof over aft deck. She has just been serviced. Cosmetically she needs the finishing touch, some teak repairs and treating wood with oil. Inside small jobs to be done. VAT not paid. Lying in the Caribbean."
